Overzicht beschikbare scans Succulenta - Intro

Intro

Succulenta heeft sedert lange tijd voor tijdschriften een uitleveringsverband met andere verenigingen.
Deze tijdschriften zijn in de loop der tijd door mij gescand en naar een PDF document geconverteerd.
Daarnaast heeft ***Freddy Delabarre*** dozen met tijdschriften geschonken die ook door mij gescand en naar een PDF document geconverteerd worden. Deze zijn in deze kleur gemarkeerd.
Leden van Succulenta kunnen via mail enkele pagina's uit de aanwezige scans bij mij aanvragen. Deze pagina's zullen dan in PDF-vorm aan de aanvrager gemaild worden.
Per aanvraag kunnen maximaal 10 pagina's gevraagd worden.
Het maximum aantal aanvragen per jaar wordt beperkt tot 5.

Aanvragen kunt U mailen aan: electronischarchief@succulenta.nl

Let op: *Op alle bladen is de copyright van toepassing. Dus zonder uitdrukkelijke toestemming van de uitgever / auteur mag U niets publiceren.*
